- your financial situation.

We will also take reasonable steps to verify your financial information.

The purpose of the credit assessment is to ensure, based on the information provided, that the proposed contract, is not unsuitable for you.

The contract is unsuitable for you, if at the time the contract is entered into:

- it is likely that you will not be able to comply with the financial obligations under the contract or you could only comply with substantial hardship; or
- the contract does not meet your objectives and requirements.

The contract will create a substantial hardship if you would only be able to meet the requirements of the contract by selling your principal place of residence.

We cannot enter into a contract which is unsuitable for you. This is a legal requirement for Bendigo and Adelaide Bank.

It is important that the information that you provide for this assessment regarding your financial situation, objectives and requirements is complete and accurate and includes any likely future changes that will impact your ability to repay the contract.

The Final Assessment will contain the factual information which we used to assess the contract as not unsuitable including:

- the record of financial information you have given us;
- the information about your objectives and requirements;
- the enquiries we have undertaken to verify your financial situation;
- details of a contract we have offered to you.

You should notify us immediately if the information in the Final Assessment is not correct or has changed.

You can request a copy of the Final Assessment at any time before entering into the contract. If you make such a request, we have to provide you a written copy of the Final Assessment before entering the contract. We cannot enter into the contract, until we provide you with a copy of the Final Assessment.

You are also able to request a written copy of the Final Assessment at any time up until seven years after the contract was entered into.
